

Kindergarten Information

- **CLOTHING:** Please send in an extra change of clothes to keep in your child's cubby outside the Kindergarten classrooms. **Please label all clothing with your child's name and place all extra clothing in a sealed plastic bag.**
- **SNEAKERS:** Each student will need a pair of supportive sneakers for daily recess and for P.E. classes. You may leave an extra pair at school in the bottom of your child's cubby.
- **OUTDOOR CLASSROOM:** We will be having an outdoor adventure **every** Friday afternoon (beginning September 15), except in the case of severe weather.
 - Each student will need to leave a pair of **rain boots** at school since the ground is often muddy (Target, Zappos, and Payless have good options). Please let us know if you have any trouble finding extra boots. We will be going out in light rain, so please send in a raincoat as well on appropriate days.
 - **Long pants and long sleeve shirts** are suggested. An extra pair can be left in your child's cubby.
 - Nurse Paula will apply bug spray to kindergartners before each outdoor session. Please let us know if you would prefer a DEET-free spray for your child.
 - As a preventative measure, we recommend that you check your child for ticks on Fridays since we will often be exploring in and around the woods.
- **SCHOOL BAG:** Please provide your child with a small backpack or tote bag to carry completed schoolwork and projects home daily. Remember that they are not spending the night! 😊
- **BIRTHDAYS:** Birthday treats are welcome, but it is required that the snack be approved by Nurse Paula. **NO PEANUTS OR TREE NUTS** (including products manufactured in facilities that process nuts) may be brought into the classroom. Nurse Paula has a list of allergen-free treat ideas on her website. Please let us know a few days before if you are planning to bring in a treat. We will always have special snacks available for children with other allergies.

Thank you! We are looking forward to a great year together!
