Today you uploaded some history work to Three Ring. Now, please choose two of the Directrix statements above, and for each, find an example of a piece of work that shows how you are or are not excelling at that skill (the skill being communication, collaboration, thinking, etc.). When you have done so:

1) Tag the piece of work in Three Ring appropriately (it's already in Three Ring. Now you just have to tag it).
2) Reflect on that piece of work and explain how it shows evidence of the degree to which you are or are not meeting the Directrix statement. You can do this by either
   • Writing an explanation in the text box next to the piece of work (has to be done on a computer using the web interface for Three Ring; you can’t do that with an iPad).
   • Recording a video or audio file of you talking about the piece of work and how it relates to the Directrix statement (you can do this with the Three Ring app on an iPad, or you could do it as a separate file on a computer and then upload it).
